

Using Convolutional Neural Networks for the Helicity Classification of Magnetic Fields

37th International Cosmic Ray Conference -ICRC2021-

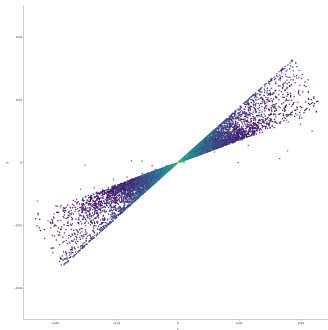

Nicolò Pinciroli^{1,2}, Ibrahim A. Hameed¹, M. Karchelrieß³

¹ Institutt for IKT og realfag, NTNU, Ålesund, Norway

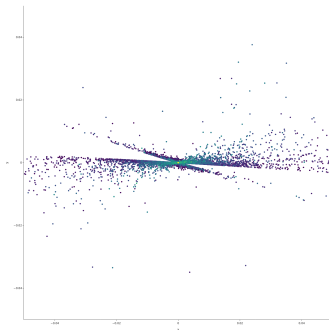

² Dipartimento di Elettronica, Informazione e Bioingegneria, Politecnico di Milano, Milan, Italy

³ Institutt for fysikk, NTNU, Trondheim, Norway

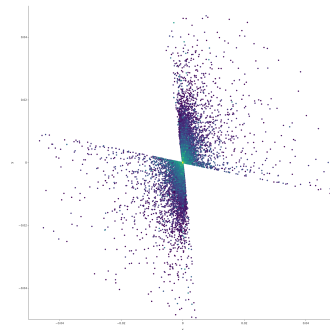

Helicity

(a) Clockwise helicity

(b) Counter-clockwise helicity

(c) Zero helicity
